- 3 [Functions](#)

1 Installation Steps

Please follow the below steps to connect remote with Jio Set-Top Box:

- 1 Insert 2 AAA batteries. (For best results, it is recommended to use alkaline batteries)
- 2 Press any key on your remote control for 10 secs.
- 3 Now press Ok key twice.
- 4 Remote is paired.

2 Setup Universal Remote

Our JioRemote can control TV's power, volume + / -, mute, source & more. To set up universal remote, follow the below steps:

- 1 Click on Settings
- 2 Click on Remote & Bluetooth or Remote & Accessories (old)
- 3 Click on Universal Remote Setup
- 4 Click Begin to start configuration and follow steps on screen

3 Functions

- 1 Click once to switch On or Off TV.
- 2 Change input source.
- 3 Control TV volume.
- 4 Click once to switch On or Off STB.
- 5 Switch between TV and STB volume by pressing ⓘ key for 3 seconds.
